2011/2012 BCAPL POOL CUE

McDermott Cue commissioned by BCAPL

BCAPL membership number required for discount. Contact your League Operator or BCAPL headquarters if you need your membership number.

**Mail in completed order form or
 order online at www.mcdermottcue.com/bcapl11.php**

Comes Standard with McDermott's G-Core Shaft!

The new G-Core Shaft Technology significantly stabilizes the shaft through the use of a three layered core positioned in the front impact area of the shaft. The G-Core also utilizes our proprietary CT Tenon Technology: a carbon fiber ferrule core which results in greater strength, efficiency and precision.
