

Jay Swanson Memorial Tournament

November 2, 2006

Once again it is time for the annual “Swanee” Tournament.

This year marks the 11th year the “Swanee” has been held. It is hard to imagine how much time has gone by since the tournament’s inception. The first event was held in September of 1996, just a few months after I purchased College Billiards, Jay’s “home court”. He had recently passed away in June.

Over the years, the “Swanee” has experienced tremendous growth. The first year was a modest 64 players, the next three years required us to limit the field to 96, but the continued demand required us to increase future fields to 128. The growth the last few years once again required us to increase that field size. In 2005 the field increased to 213 players; the largest tournament in Southern California.

My affiliation with several billiard establishments in the San Diego area and being Jay’s “home court” made San Diego the logical choice for the event. The event is certainly too big for College Billiards and changes in downtown San Diego, required us to move the event to a more centrally located venue.

As in 2006, Hollywood Billiards will host the 11th Annual Jay Swanson Memorial Tournament January 27-28, 2007. The “Swanee” will have a limited field size of 192 players. Doors open at 9 a.m. January 27, 2007 with play beginning at 10 a.m. (see event flyer for additional information). It is necessary for every player who wishes to compete in this prestigious event to enter early. As experienced in the past, this tournament could be at capacity before the event date. Please insure your spot in the “Swanee” as soon as possible.

There are many hotels in the area, please visit www.hotels.com for more information.

IMPORTANT ENTRY INFORMATION: All mailed entries must be received no later than January 22, 2007. After that date, entries will be accepted in person only at Hollywood Billiards.
